

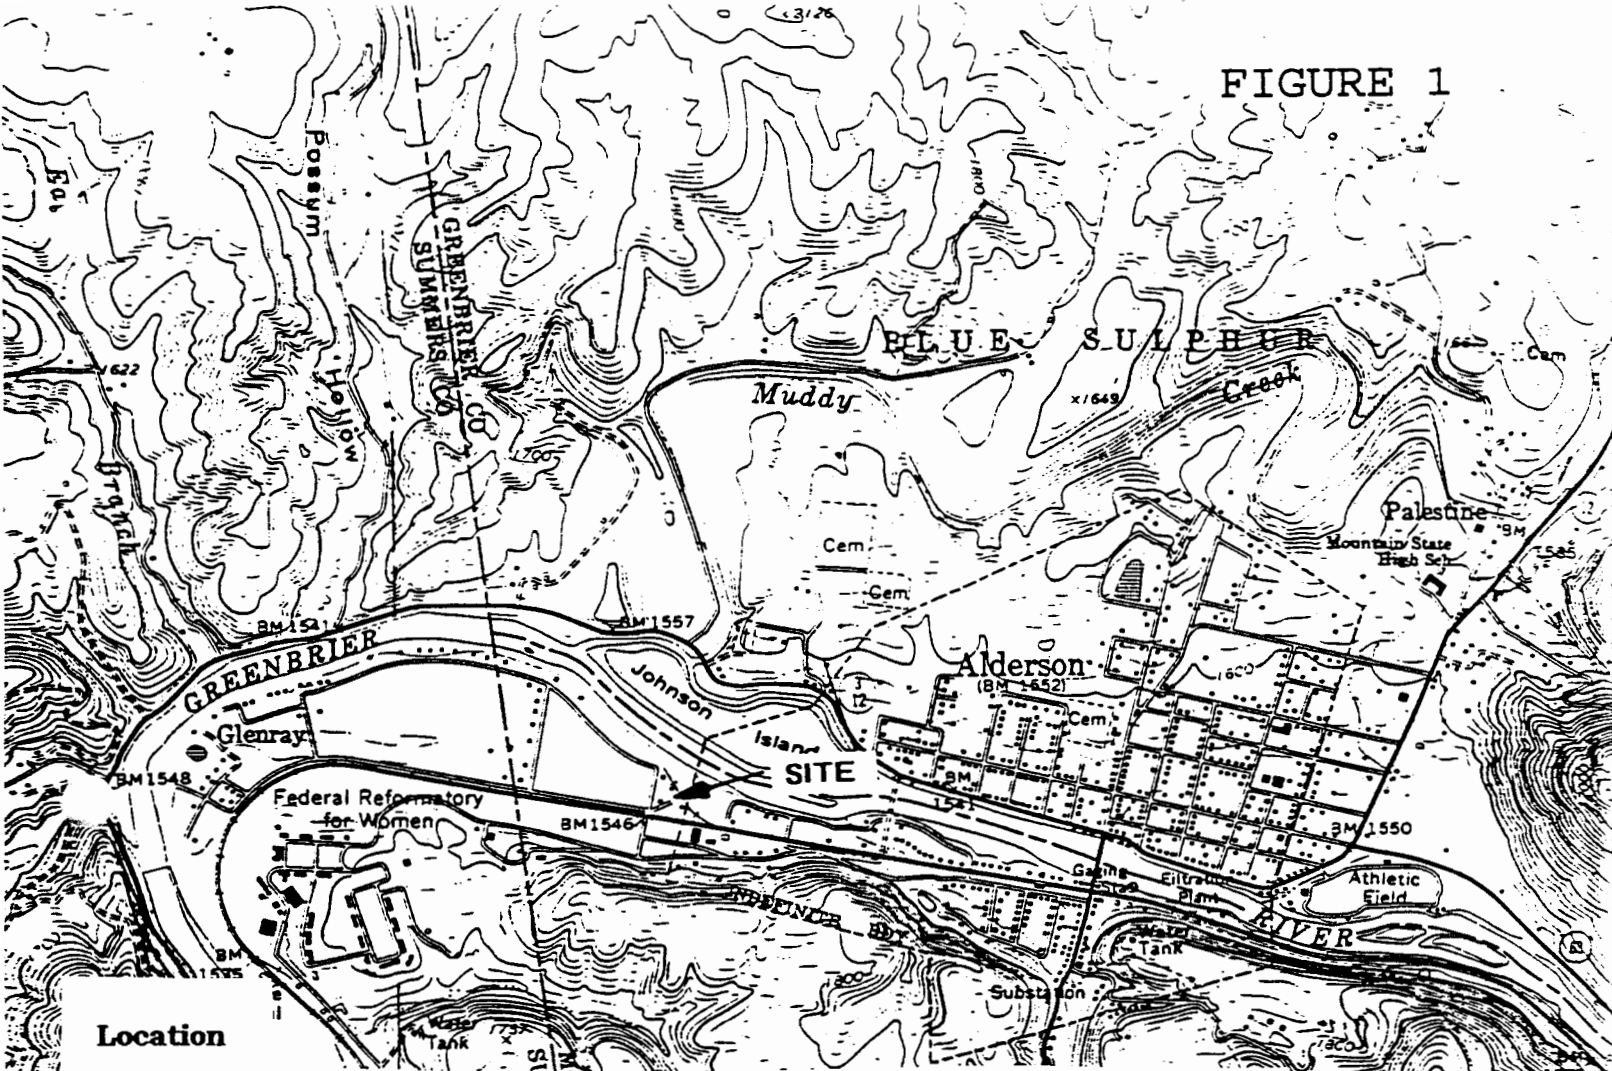

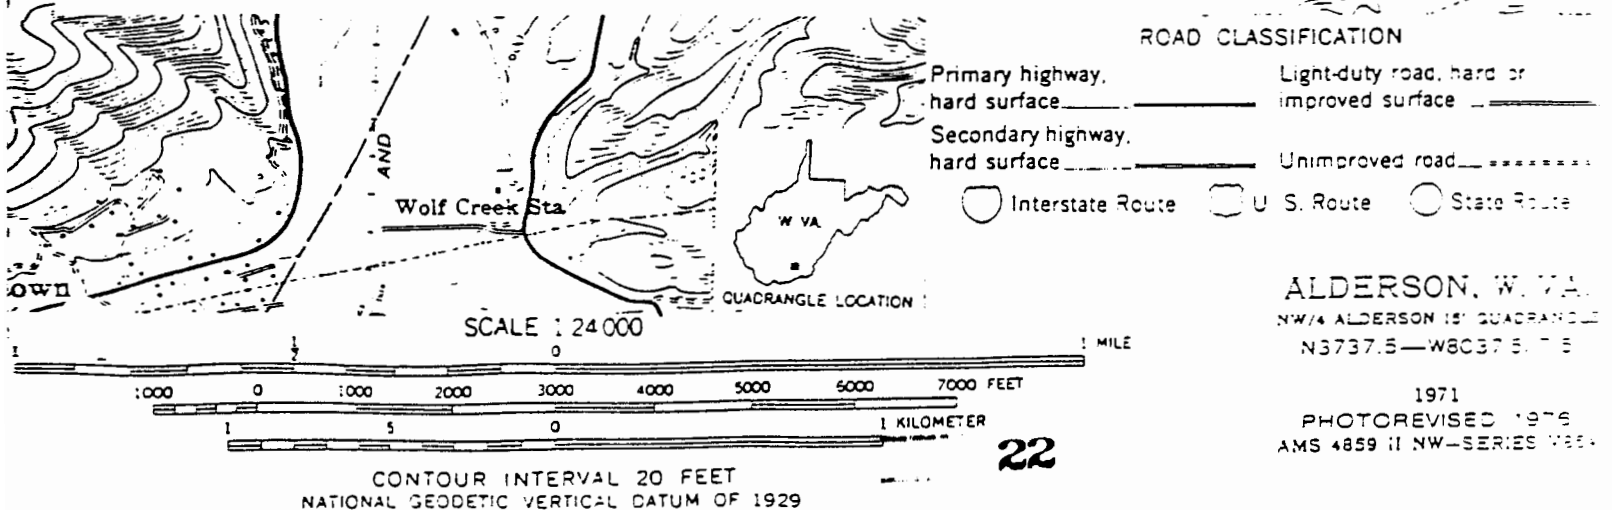

FIGURE 1

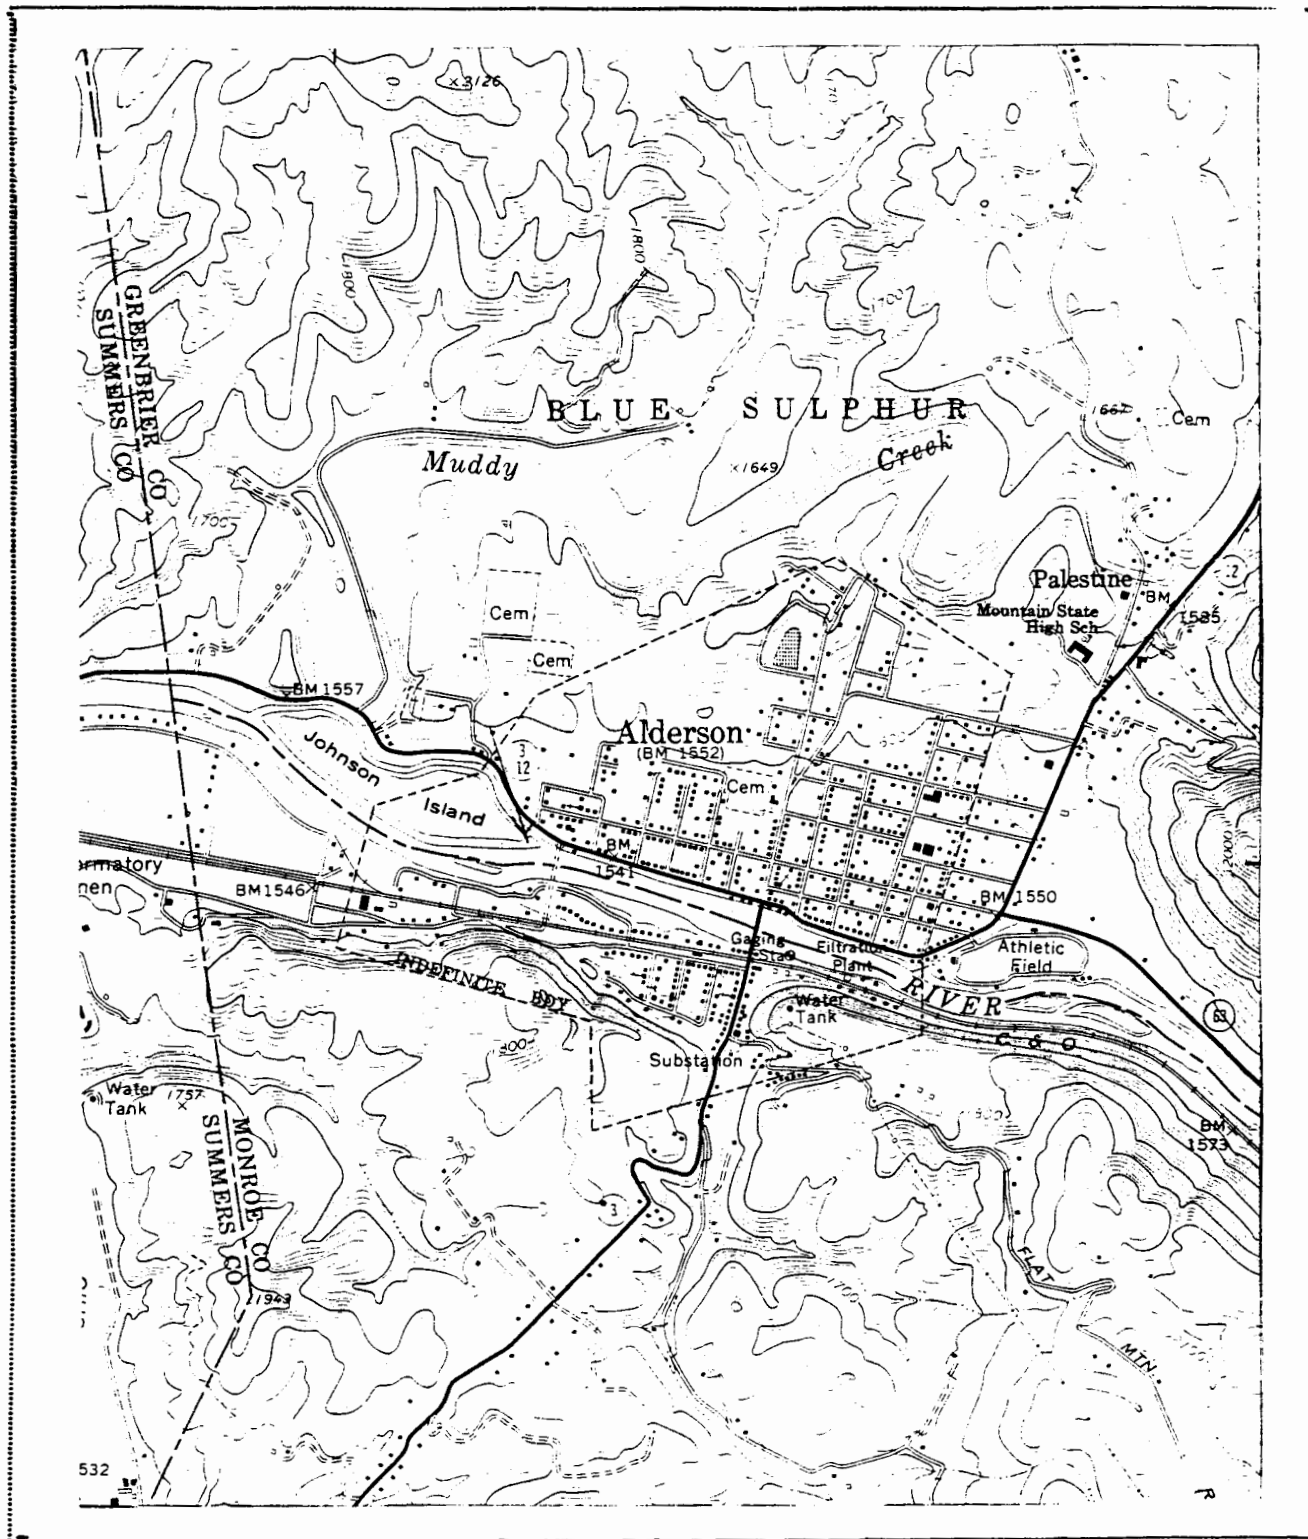

Location

Wood Guard, Inc. is located at the corner of Railroad Avenue and Cooper Street in Glen Ray, West Virginia. A location reference is the entrance to the Federal Reformatory for Women which is situated approximately eight-hundred (800) feet to the Southwest of the Wood Guard Site. To reach the Wood Guard Site take the Alta Exit from I-64 and proceed approximately eleven (11) miles South on State Route 12 to Alderson, West Virginia until reaching the intersection with State Route 3. At the intersection with State Route 3, turn left crossing the Greenbrier River, then immediately turn right and proceed approximately one (1) mile, crossing the railroad tracks. Wood Guard, Inc. is located on the right. Another reference point is the Alderson Waste Water Treatment Plant, which is located across Cooper Street from the Wood Guard, Inc. Site. (See Attachment A)
